Old Business

- Vacated Board Positions
 - Ron proposed that we look at offering up the Vice President and Secretary positions to a membership in a 2026 vote. Doing so achieves two objectives. Allows for a staggered board rotation and would allow for early departures of existing board positions.
- Court Management Application Review
 - Currently evaluating two court reservation systems, Open Court and Court Reserve. Waiting to see demo of a third that is currently hosted by the HOA
 - Leaning towards Open Court as replacement for Live Pickleball
- Open Play Paddle Racks System
 - HOA is moving forward with the purchase of 8-unit Ultimate rack system
 - Rotational units of 4 paddles, up to 32 paddles waiting
 - Overall dimension is 79 inches, and will be located against courts 3 and 4
